dystrybucja światła	pośrednio
Dimensions	Ø 59 cm

Opis

The Escale Blade 59 cm is a wall and ceiling lamp with indirect light output. The light is reflected from the wall or ceiling and creates a halo effect around the lamp. This lamp has a diameter of 59 cm and a depth of 3.5 cm. It is available in the surfaces white matt, black matt, silver matt anodised, concrete look, gold leaf, taupe anodised and anthracite. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white.

The Blade 59 cm is offered in three versions: on site dimmable with trailing edge and leading edge dimmer, with Casambi module or with ZigBee module. The version with Casambi module is dimmed with the Casambi App by Smartphone / Tablet via Bluetooth. The version with ZigBee module can be regulated via voice control. A connecting set is available as an accessory, allowing two Blade lamps to be connected to a single power connection. With several connecting sets, a large lamp can be formed from several individual lamps. A Plug and Play cable with toggle switch is additionally available as an accessory, with which one Blade lamp can also be connected directly to a power socket.
