Gera Leuchten

Pendant Lamp 40x10x1800

Oberfläche

- aluminium
- ze stali nierdzewnej
- czarno-brązowy

Farbtemperatur in Kelvin

- 2.700 extra biała ciepła
- 4.000 biały

Technical details

Kraj produkcji	Niemcy
producent	Gera Leuchten
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
tworzywo	aluminium
regulacja wysokości	wysokość ustalona
ściemnianie	Czujnik ściemniacza
Moc w watach	34 W
LED	Łącznie
Strumień świetlny w lm	2.520
wymiana żarówek:	na miejscu
wysokość całkowita	20 - 250 cm
Dimensions	H 1 cm | B 4 cm | L 180 cm

Opis

The pendant lamp 40x10x1800 by the German manufacturer Gera is operated with an integrated LED. This LED pendant lamp is available in the finishes aluminium-coloured and stainless steel-coloured. The pendant lamp made of aluminium is 180 cm long, 4 cm wide and only 1 cm high. This elongated LED pendant lamp has a 58 cm long, 3.4 cm wide and 3.4 cm high rectangular ceiling suspension. The lamp connection is located directly at the connection terminal. The lamp is optionally available with a colour temperature of 2,700 Kelvin extra warm white and 4,000 Kelvin white. This LED lamp with rectangular cross-section emits its light brightly and glare-free downwards. The LED low-voltage technology used in this pendant lamp allows "cable-free" suspension from fine, current-conducting steel cables. The Gera Leuchten pendant lamp 40x10x1800 is adjustable in total height from 20 cm to 250 cm. The LED pendant lamp can be switched and dimmed touch-free via an integrated sensor dimmer. If required, the integrated LED can be changed by the user himself. The Gera Leuchten pendant lamp 40x10x1800 is also available in other lengths and as a version that can be switched and dimmed by remote control. On request, the lamp can also be supplied in special lengths up to a maximum length of 4 metres.
