### Description

The NEXOLIGHT Chara Bollard Light Type 42 stands for reduced outdoor lighting with maximum effect. This compact bollard adopts the consistently cubic design language of the Chara series and blends seamlessly into contemporary architecture. With its precise light distribution using 1 x LED 5 W, 425 lm and 2700 K, it creates clear, functional and understated accents along pathways, planting beds and driveways. The light is available in anthracite grey and black.
