### Description

The NEXOLIGHT Mira Portable Garden Light transfers the clear design language of the Mira series into a flexible outdoor light for terraces, garden seating areas and quiet retreats. High-quality materials, precise craftsmanship and matt opal glass create an atmospheric lighting effect, while the portable concept adds freedom in placement. The light is designed for 1 x LED lamp E27 max. 20 W and, according to the catalogue, selected versions are supplied with a 2.5 m cable and plug. The light is available in anthracite grey and black.
