Power in watts	12W integrated LED W
cable length	200 cm
glass	White shaded
diameter	45 cm
depth	0 cm
Dimensions	Ø 45 cm H 14 cm

Description

Incanto has been completely redesigned in this new version. The slightly reduced diameter improves the integration of the frame and supports the dissipation of the integrated LED, while the 200 cm cable allows a determinable drop. The shaded white glass and clean lines give the pendant a calm and elegant character.
