### Description

The Lumina Naomi Pinza is both a practical and an effective clamp lamp. Its soft swung shapes perfectly adapt to every ambience. The reflector is rotatable at up to 360° due to a useful handle and the arm is easily extendable and movable by means of different joints. The Naomi Pinza is perfectly suitable for illuminating tables and work places. You may regulate the light intensity via on/off switch located at the lamp head making it easily reachable. The bright light is created where it is needed. The Lumina Naomi Pinza is made of anodised aluminium.
