Technical details

Country of Manufacture	 Italy
Manufacturer	Lumina
Designer	Monici, Walter
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
voltage suitability	230 - 240 Volt
material	metal
dimming	cord dimmer
Base / Socket	R7s
Power (max. Watt)	300 Watt
lamp stand dimensions	30 cm
light distribution	indirectly
Dimensions	H 187 cm

Description

The Lumina Opus floor lamp is a real design highlight to every ambience. Its luminaire body represents the simple version of a grid-shaped steel girder. You may elegantly and nearly invisibly roll the supply line of the Opus into the lamp stand plate. This floor lamp radiates an indirect and dazzle-free lighting. Even illuminating living rooms or offices is possible with the Opus making it an optimum uplight. The light intensity may be controlled via dimmer and the diffuser is swivelling due to the useful handle. The Lumina Opus is available in black or white.
