

Foscarini

Aplomb Parete

Oberfläche

- brown
- grey
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Foscarini
Designer	Lucidi & Pevere
Year of design	2014
protection	IP20
Scope of delivery	LED 230 Volt
voltage suitability	110 - 240 Volt
Depth in cm	15
material	aluminum, concrete, metal
dimming	dimmable on site
socket/light fixture	R7s
Power (max. Watt)	17 Watt
LED	inclusive
version	LED
bulb exchange	on site itself
Dimensions	H 24 cm B 30 cm

Description

The Foscarini Aplomb Parete is made of concrete and narrows towards the bottom. Light is emitted through the wide opening at the top and the smaller one at the bottom. The light is radiated through these openings onto the wall so that it is reflected from there, creating a light effect on the wall above and below the lamp.

The wall bracket of the Aplomb Parete is made of lacquered metal. The emitted light is glared by an inner, cone-shaped diffuser made of steel. The lamp is offered in the colours white, brown and grey. The wall lamp has an R7s socket that is operated with an LED retrofit.
