

Foscarini

Outdoor Gregg Grande Sospensione

Technical details

Country of Manufacture	 Italy
Manufacturer	Foscarini
Designer	Ludovica & Roberto Palomba
Year of design	2011
protection	IP44 - IP65
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	metal, polyethylene
surface	white
cable length	240 cm
height adjustment	height determinable
dimming	dimmable on site
socket/light fixture	E27
Power (max. Watt)	25 Watt
Luminous flux in lm	1,400
Color temperature in Kelvin	2,700 extra warm white
light distribution	diffuse
total height	279 cm
Dimensions	H 39 cm B 41 cm L 46 cm

Description

The Foscarini Outdoor Gregg Grande Sospensione is a pendant lamp suitable for outdoor usage. The shade of the Outdoor Gregg is made of polyethylene. Depending on the connection options, the lamp has a protection rating of IP44 (with plug connected) or IP65 (with clamp). With IP44 protection, it is protected against splash water from all sides and solid foreign bodies with a diameter of at least 1 mm. With IP65, the lamp is dust-tight and protected against water jets from any angle. The versatility of the Outdoor Gregg also comes from the repertory of three different sizes offered. The Outdoor Gregg Grande is the medium-sized of the three pendant lights of the Outdoor Gregg series. The cable length can be determined. Also a version with a longer cable is offered.
