### Description

The Lumina Naomi Morsetto is both a practical and effective clamp light. It is screwed with a screw of table tops up to a thickness of 5 cm.

The soft, curved forms of Naomi Morsetto adapt perfectly to any environment. The reflector can be rotated 360 ° and the light head can stretch and move effortlessly.

The Naomi Morsetto is ideal for lighting on tables and workstations. The switch is easily accessible at the top of the light. The lamp provides bright light where it is needed. The Lumina Naomi clip light is made of anodized aluminum.
