### Description

When using the Keilbach Picto pictograms, confusion is impossible because the symbols point the way to the toilet, to the wardrobe or even to the changing room without any words.

The design of the symbols is minimalist yet unmistakable. The design is a single homage to the Bauhaus.

The five motifs are lasered from a 2 mm thick stainless steel plate. The pictograms are simply attached with mirror tape.

The following signs are available for selection:

Picto man (symbol man) 11 cm high

Picto woman (symbol woman) 11 cm high

Picto handicap (symbol handicap) 9.5 cm high

Picto cloakroom (symbol wardrobe) 4.8 cm high

Picto baby (symbol changing room) 8.8 cm high
