

Catellani & Smith

Meraviglia EC 401 Warmwhite 2,700 K

Technical details

Country of Manufacture	 Italy
Manufacturer	Catellani & Smith
Designer	Enzo Catellani
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 (110 - 125 on request)
Projection in cm	28
material	copper, gold leaf, nickel, steel
cable color	blue
Height adjustment	height determinable
Wattage	1 W
LED	Warm white (2,700 Kelvin)
Luminous flux in lm	100
Color temperature in Kelvin	2,700 extra warm white
light distribution	directly
Dimensions	H 150 cm

Description

The Catellani & Smith Meraviglia EC 401 floor lamp from the Eco-Logic-Light series by Catellani & Smith is most power efficient, because in it a replaceable LED rests with low energy consumption. This LED generates 1 Watt of power. For this light there are two different LED versions available: in the colours neutral white with 4,200 Kelvin (110 lumen) or warm white with 2,700 Kelvin (100 lumen).

The Meraviglia EC 401 has a lampshade for which the inside is coated with gold leaf. From the outside the shade appears dark-shiny. An integrated cord dimmer regulates the light intensity of the floor lamp. The height of the lamp is 150 cm, the projection is 28 cm. The lamp arm which is splayed out swinging can be adjusted via a screw in its height.
