Description

The Ingo Maurer Samurai table lamp has a lampshade, which is brought into its final form by folding and pulling. This lamp is a real unique, in elaborate handmade created. The inspiration came from Ingo Maurer and his team from the Japanese sculptor Isamu Noguchi and then developed the lighting series The MaMo Nouchies. Samurai is part of this light series. The table lamp emits warm diffused room light. The light is infinitely dimmable via a dimmer switch on the supply line.
