### Description

The Licht im Raum White Moons 1 is a wall lamp with a lamp shade which emits light upwards and downwards. There are also offered lamps from this series having two or more shades. The White Moons 1 can be adjusted at will. This lamp has a square wall bracket made of polished stainless steel. On request, the lamp is also available with a square wall bracket made of brass or a round made of polished stainless steel. The lighting series designed by Daniel Klages from 2016 has already won numerous design awards.
