Description

The Oluce Agnoli 387 is a floor lamp designed by Tito Agnoli with a total height of 205 cm. The lamp rod is made of matt nickel-plated metal, the base is made of genuine travertine marble. Along the lighting rod of Agnoli 387 the reflector is freely slidably and rotatably. So the light can be exactly adjusted as necessary.

The Oluce Agnoli 387 ensures direct, precisely adjustable light for high visual comfort.
