

Oluce

Kelly 790

surface_of_reflector

- chrome
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Studio 63
Year of design	2011
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Depth in cm	6
material	metal
dimming	dimmable on site
socket/light fixture	R7s
Power (max. Watt)	120 Watt
Dimensions	H 17 cm L 33 cm

Description

The Oluce Kelly 790 is a wall lamp. The reflector of the Kelly 790 is made of laser-cut metal. The wall plate is painted white, the reflector by Oluce in the surfaces white-lacquered or chromed.

The Kelly 790 gives its light indirectly upwards and downwards and thus ensures both modern and classical architecture in a great atmosphere. For the Kelly 790 a high-voltage halogen fuel rod is used, whereas in the similar sister model Kelly 791 LEDs are used.
