Blow spare rotors

Oberfläche

- multicolour (blue, green and orange)
- orange
- transparent
- transparent screenprinted

Technical details

Manufacturer	Luceplan
material	methacrylate
Diameter in cm	140
Wattage	5.4 W
Dimensions	Ø 140 cm

Description

The Luceplan Blow spare rotors are a spare part for the ceiling light Blow. The rotors are available in the following surfaces: transparent, transparent screenprinted, orange and colour mix (blue, green, orange). It contained three rotors in one set. They serve as a spare part for the Blow lamps or as a replacement element to give an existing lamp a new colour accent.
