Ylux Floor Spotlight

Leuchtenkopf

- polished aluminum
- matt white
- glossy white
- black matt
- glossy black

Leuchtenfuß

- concrete white
- concrete grey

Technical details

Country of Manufacture	 Germany
Manufacturer	less'n'more
Designer	less'n'more
protection	IP43
Scope of delivery	LED
voltage suitability	110 - 240 Volt
material	aluminum, concrete, glass
beam angle	50 - 100 degrees
cable color	transparent
cable length	200 cm
dimming	Rotary dimmer on head
Wattage	12.6 W
LED	inclusive
Colour Rendering Index	95
Luminous flux in lm	1,200
Color temperature in Kelvin	2,700 extra warm white
lamp stand dimensions	15 cm
light head dimensions	9 cm
bulb exchange	on site itself
LED number	1
light distribution	directly
Dimensions	H 18 cm

Description

The Less'n'more Ylux Floor Spotlight has a total height of 18 cm. It has a lamp head with a diameter of 9 cm, which can be swivelled by 360 degrees and can be tilted by 135 degrees. The beam angle of the lamp head can be adjusted from 50 to 100 degrees. Turning the lens out or in changes the beam angle. With a larger beam angle, the light is distributed over a larger area.

A rotary dimmer on the head allows the brightness of the lamp to be adjusted continuously. This Ylux floor lamp is operated with an integrated LED. This lamp is available with different colours for the lamp head: glossy black, matt black, polished aluminum, glossy white or matt white.

In addition, the base of the lamp is offered in concrete white or concrete grey. Due to the natural composition of the material, the surfaces for the lamp base can vary, i.e. be lighter/darker. On request, the table and floor lamp is also available with a lamp base in black.
