Description

The Secto Design Octo 4240 white is made of Finnish birch wood. The lampshade has a height of 68 cm and a diameter of 54 cm. Due to the generous opening at the lower end of the Octo 4240 screen, direct light penetrates. The pendant lamp has an E27 screw socket and can be equipped with a 20 watt (max) LED. The Octo 4240 is optionally available with the surface birch natural, white or black laminated and available with walnut veneer. Here it is offered in white. The black color cable is also black. The cable colors of all other variants of this pendant lamp are white.
