FlapFlap Single Pendant

Technical details

Country of Manufacture	 Germany
Manufacturer	Next
Designer	Constantin Wortmann
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Projection in cm	30
material	polycarbonate, steel
surface	white
cable length	300 cm
height adjustment	height determinable
socket/light fixture	E14
switchability	on the lead
Power (max. Watt)	33 Watt
Luminous flux in lm	405
Color temperature in Kelvin	2,700 extra warm white
light distribution	room light
Dimensions	H 60 cm

Description

The Next FlapFlap Single Pendant looks like a table lamp, but it is suspended as a pendant lamp from the ceiling on an invisible reinforced, curved cable. The lampshade made of polycarbonate is individually adjustable. The pendant lamp is regulated with an on / off switch on the supply line. The Plux canopy makes the lamp easy to install. The cable can be shortened if necessary. A halogen lamp with a maximum power of 33 watts or a suitable LED with a maximum of 6 watts can be used.
