Manufacturer	Anglepoise
Designer	George Carwardine
Year of design	2014
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Projection in cm	30
material	brass, steel, Textile
socket/light fixture	E27
switchability	On the wall bracket
Power (max. Watt)	10 Watt
Shade diameter	14 cm
Shade height	16 cm
light distribution	directly
Wall mount dimensions	10 cm

Description

The Anglepoise Original 1227 Brass Wall Light has brass elements. The upper part of the lamp shade and the fittings of this wall lamp are made of brass. The lamp shade can be rotated and tilted, allowing the light distribution to be individually adjusted. Both the lamp shade, the fixed lamp arm and the wall bracket are made of steel. This wall lamp is available in jet black, ink blue and elephant grey. The wall bracket has the matching surface to the lamp shade. A cable protrudes from the shade and ends in the wall bracket. An on/off switch is integrated at the lower end of the wall bracket. This wall light can be operated with LED retrofit lamps or compact fluorescent lamps.
