Kelvin

LED

3,000 warm white

Description

The Stilnovo Diphy S appears transparent when the lamp is switched off. As soon as it is switched on, a dot pattern is visible on its lamp shade. The dot pattern is created during the production of the lamp by laser micro-engraving. This ceiling and wall lamp is offered in two sizes: The small lamp has a diameter of 54 cm and the large lamp a diameter of 76 cm.
