

Stilnovo

Diphy FL

Technical details

Country of Manufacture Italy
Manufacturer Stilnovo

Designer Mirco Crosatto

Year of design 2017
protection IP20
Scope of delivery LED

voltage suitability 230 - 240 Volt

Projection in cm 194

material aluminum, Iron,

polymethylmethacrylate

cable length 250 cm

dimming integrated Pushbutton dimmer

Wattage 30 W
LED inclusive
Colour Rendering Index 90
Luminous flux in Im 3,743

Color temperature in 3,000 warm white Kelvin

light distribution directly and indirectly

Dimensions H 193 cm

Description

The Stilnovo Diphy FL floor lamp has a diffuser on a curved light rod and emits its light both downwards and upwards. The diffuser of the arc lamp appears transparent when switched off, a dot pattern becomes visible on the diffuser when switched on. This dot pattern is laser-engraved during production using OptiLight technology and is based on the Asian flower Diphylleya Grayi, from which the Diphy lamp series takes its name. The floor lamp can be regulated by a push dimmer on the supply line. The last brightness level set is stored by the memory function and automatically selected again the next time the light is switched on.
