Oxygen P

Oberfläche

- black
- blue
- yellow
- white

Durchmesser in cm

- 56
- 75

Technical details

Country of Manufacture	 Italy
Manufacturer	Stilnovo
Designer	Pio & Tito Toso
Year of design	2017
protection	IP40
Scope of delivery	LED
voltage suitability	230 - 240 Volt
material	Iron, polymethylmethacrylate, polyurethane
height adjustment	height determinable
dimming	DALI dimmable
LED	inclusive
Colour Rendering Index	90
Color temperature in Kelvin	3,000 warm white
light distribution	directly and indirectly
total height	200 cm
Dimensions	H 20 cm

Description

The Stilnovo Oxygen P pendant lamp has a characteristic shape with high recognition value. In the inner, upper part of the lamp shade is a diffuser with laser-engraved micro-incisions. This directs the light emitted by the LEDs equally upwards and downwards. When switched off, the diffuser appears almost transparent thanks to OptiLight technology. This pendant light is available in white, black, yellow and azure blue. From the inside, the shade is always white. This lamp is also available with a diameter of 56 cm or with 75 cm. The three steel cables can be shortened if required. With protection class IP40, the pendant lamp is protected against solid foreign objects with a diameter of at least 1 mm. The light can be dimmed on site, with an optionally available Casambi module it can also be dimmed via Smartphone App.
