Description

The Stilnovo La Mariee P is a pendant lamp in blown glass, available in three different combinations:

- transparent glass, LED source housing in white painted aluminum and white canopy
- copper-plated glass, source housing with polished copper finish and white canopy
- grey smoked glass, source housing with black nickel finish and black canopy.

A pendant lamp suitable for cluster compositions. It can be dimmed on site and with an optional Casambi module it can also be dimmed via a smartphone app.
