Mongolfier P2

Oberfläche

- nickel
- black
- rose

Technical details

Country of Manufacture Italy
Manufacturer Stilnovo

Designer Linea Light Group

Year of design 2017
protection IP20
Scope of delivery LED

voltage suitability 230 - 240 Volt

Diameter in cm 40

materialIron, polycarbonateheight adjustmentheight determinable

dimming on site dimmable with a trailing edge

dimmer

Wattage 16 W
LED inclusive
Colour Rendering Index 90
Luminous flux in Im 1,000

Color temperature in

Kelvin Dim to warm

light distribution directly **total height** 240 cm

Dimensions H 40 cm \mid Ø 40 cm

Description

The Stilnovo Mongolfier P2 is a pendant lamp that wraps around itself, until it takes on the contours of a circular airy shape. It is available in black painted metal, rose gold or black nickel finish. Perfect for lighting a dining table or living room, its vintage hints are also ideal for creating the right atmosphere in a restaurant or bistro. Warm TuneTM dimming technology allows the light from the LED source to be varied in intensity and colour temperature.

The brand new Warm Tune technology, through its cutting-edge LEDs, evokes the old incandescent lamps. The lower the intensity, the warmer and softer the light, until a candle effect is reached. The arrayLED source and the study of the dedicated optical units ensure unprecedented visual comfort, a perfectly clean light cone and a high colour rendering index (CRI92): the same characteristics are found when the lamp is set both at the maximum intensity, with a 3,000 Kelvin colour temperature, and at the minimum intensity, with a 1,800 Kelvin colour temperature. This pendant light is suitable for cluster compositions and dimmable on site. With an optional Casambi module it can also be dimmed via Smartphone App.
