

Stilnovo

Lama S

Oberfläche

- black
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Stilnovo
Designer	Mirco Crosatto
Year of design	2016
protection	IP40
Scope of delivery	LED
voltage suitability	230 - 240 Volt
material	aluminum, polycarbonate
Wattage	45 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	3,241
Color temperature in Kelvin	3,000 warm white
light distribution	directly
Dimensions	H 11 cm B 7 cm L 130 cm

Description

The Stilnovo Lama S is a thin light wire in a minimalist body design. The double opal polycarbonate diffuser melts into press-folded aluminum foils, from which a topLED light is emitted. The angular shape of the ceiling lamp and the double emission of light emphasize the illuminating body, depriving it of contrasts and marked shadows. The Lama S as a thin ceiling light is particularly suitable for lighting environments such as offices and accommodation facilities. Available in white or black, Lama has been awarded the Red Dot Design Award 2011.
