

Catellani & Smith

CicloItalia T

Technical details

Country of Manufacture Italy

ManufacturerCatellani & SmithDesignerEnzo Catellani

Year of design 2018 protection IP20 Scope of delivery LED

voltage suitability110 - 240 Voltmaterialbrass, glasscable colorblack

dimming cord dimmer

Wattage 5 W

LED inclusive

Colour Rendering Index 80

Luminous flux in Im 600

Color temperature in Kelvin2,700 extra warm whitelamp stand dimensionslength 16, width 16 cm

bulb exchange at the manufacturer / at the factory

Dimensions H 53 cm

Description

The Catellani & Smith CicloItalia T is the natural evolution of the historic Ciclocina lamp from 1989. It is made entirely of handcrafted brass that remains untreated. As a result, the surface tarnishes and changes over time. A frosted glass lens bundled the light from the integrated LED. On the cable is an integrated touch dimmer. A memory function saves the last brightness level set and automatically selects it the next time the power is turned on. The CicloItalia T table lamp has joints on the lamp head and lamp base so that both the lamp rod and the lamp head can be individually adjusted.
