Description

Creating a warm, comfortable indoor atmosphere in an outdoor space. This is the aim of Marset Cala 140 IP65, a highly decorative light with a structure which draws on the simplicity of the classic painter's trestle. The rotary moulded polypropylene shade is enclosed in a zipped Textilene sleeve which filters the light and gives it a texture rich in nuances. IP65 rated, this is the floor version. There is also offered a wood indoor version, available in three sizes.
