Description

The Foscarini Filo Lettura is a floor lamp with a height of 152 cm. The lamp emits both ambient and downward light. The light rod and the light base are made of powder-coated metal. The light rod also acts as a holder for the cable and the decorative elements. The textile cable has an on/off switch. The two decorative elements, which are different in shape or colour in each version, are made of mouth-blown glass. The lamp shade is made of porcelain. A replaceable LED retrofit lamp is included as a light source. The Filo Lettura is offered in four versions, which differ in the colour of the cable, the colours and shapes of the glass elements and the colour of the lamp base.
