## Description

The Arturo Alvarez V VV04 is the smaller of two pendant lamps in the V collection. Its polycarbonate shade measures 80 cm in diameter and 29 cm in height. The lamp has transparent cables which can be shortened if necessary. This pendant lamp has an E27 socket and can be operated with LED retrofit lamps. Thanks to a glass diffuser, glare-free light is emitted. On request, this lamp is also available with black cables instead of transparent ones. The VV04 from Arturo Alvarez is available in white, terracotta or black.
