Box 120 N LED

Oberfläche

- chrome
- nickel
- black
- white

Farbtemperatur in Kelvin

- 2,700 extra warm white
- 3,000 warm white

Technical details

Country of Manufacture	 Germany
Manufacturer	Decor Walther
Designer	Maiken Walther
Year of design	2016
Protection class / IP rating	IP44
Contents of the package	LED
voltage suitability	230 - 240 Volt
Depth in cm	10
material	acrylic glass, metal
dimming	on site dimmable with a trailing edge dimmer
Wattage	62.4 W
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	10,608
Dimensions	H 5 cm L 120 cm

Description

The Decor Walther Box 120 N LED wall lamp has a rectangular body with a length of 120 cm. Its height is 5 cm, the depth is 10 cm. With protection class IP44, it can also be installed in the bathroom. It is protected against splashing water on all sides and against solid foreign bodies with a diameter of at least 1 mm. The lamp emits its light both upwards and downwards. A diffuser made of white matt acrylic glass reduces glare and diffuses light evenly. An LED which can be dimmed on site with a trailing edge phase dimmer, is integrated as a light source. It can be supplied with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The Box 120 N LED is available in matt black, matt white, chrome and satin nickel surfaces. In addition to this LED version, a halogen version of the Box wall lamp is also on offer.
