Contents of the package	LED
voltage suitability	230 - 240 Volt
Depth in cm	10
material	acrylic glass, metal
dimming	on site dimmable with a trailing edge dimmer
Wattage	20.6 W
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	3,100
Dimensions	H 5 cm L 40 cm

Description

The Decor Walther Box 1-40 N LED is a clip-on light for mirrors with a maximum thickness of 6 mm. It is 40 cm long, 5 cm high and 10 cm deep. It is available in the following finishes: Chrome, satin nickel, white matt, black matt, gold (glossy), gold matt and rose gold. The light from this lamp is emitted both downwards and upwards. The diffuser is made of white matt acrylic glass and diffuses the light evenly. An LED which can be dimmed on site with a trailing edge phase dimmer is integrated as a light source. The LED is on offer in two versions: with a colour temperature of 2,700 Kelvin extra warm white or with 3,000 Kelvin warm white. The lamp with a colour temperature of 2,700 Kelvin extra warm white is also available in dark bronze on request. Thanks to the IP44 degree of protection, the Box 1-40 N LED is also suitable as a bathroom lamp. It is protected against splashing water from all directions and against solid foreign bodies with a diameter of one millimetre or more. The Box lamps from Decor Walther are also available as R7s or G9 halogen versions.
