## Description

The Decor Walther Manhattan 60 N LED can be mounted horizontally or vertically. The wall lamp is 60 cm high, 9 cm wide and 7 cm deep. It is available in chrome or black. A diffuser made of acrylic glass provides glare-free light, which is mainly emitted to the sides and to the front. The Manhattan 60 N LED can be dimmed on site with a trailing edge phase dimmer. This lamp is operated with an integrated LED. Thanks to the IP44 protection class, the wall lamp is protected against splashing water on all sides and can therefore also be used as a bathroom lamp.
