Country of Manufacture 💻 Germany Ingo Maurer Manufacturer Designer Ingo Maurer Year of design 2018 protection IP20 Scope of delivery LED voltage suitability 110 - 240 Volt material aluminum, glass fiber cable length 400 cm height adjustment height determinable on site dimmable with a trailing edge dimming dimmer 23 W Wattage LED inclusive **Colour Rendering Index** 95 Color temperature in Dim to warm Kelvin bulb exchange on site itself Total luminous flux in lm 2,300 light distribution directly and indirectly Dimensions B 30 cm | L 145 cm

Description

The Ingo Maurer Luce Volante pendant lamp serves simultaneously as uplight and downlight. The majority of the light is emitted downwards. By using dimto-warm technology, the colour temperature of the integrated LEDs changes from 1,800 Kelvin extra warm white to 3,000 Kelvin warm white during dimming. The light body is 145 cm long and 30 cm wide. The Luce Volante is available in white matt, gold or red matt finishes. It is also offered in special colours on request. This pendant lamp is available with and without driver. If required, the cables can be shortened.
