Description

The Ingo Maurer Luzy on the Wall is a surprising wall lamp and turns an everyday object into extraordinary art. It consists of a blue rubber glove with a light bulb on each finger. This wall lamp is not operated with real light bulbs, but with special LED bulbs. The light is emitted by the lamp glare-free into the room. The lamp is 50 cm high and 30 cm wide. Each glove is hand-painted with special blue paint. The Luzy on the Wall can be dimmed on site and is supplied with a plug and a toggle switch on the supply line.
