

Ingo Maurer **Blue Luzy**

Technical details

Country of Manufacture Germany Ingo Maurer Manufacturer Designer Ingo Maurer Year of design 2018 protection IP20 Scope of delivery LED

voltage suitability 230 - 240 Volt

Diameter in cm 25 material rubber surface blue 250 cm cable length

height adjustment height determinable

on site dimmable with a trailing edge dimming

dimmer

socket/light fixture E27 Wattage 1.5 W LED inclusive **Colour Rendering Index** >90 Luminous flux in Im 130

Color temperature in

2,700 extra warm white Kelvin

bulb exchange on site itself **Dimensions** H 50 cm | Ø 25 cm

Description

The Ingo Maurer Blue Luzy is more than just a pendant lamp with a blue glove. With this lamp, an everyday object was transformed into a work of art. Thus each glove is painted in manual work with a special colour. And the light bulb at the end of the index finger is also more than it seems: This is an LED light source specially designed for this light collection with a colour temperature of 2,700 Kelvin extra warm white. The LED illuminant radiates its light glare-free into the room and can be dimmed on site. If required, the cable can be shortened. The lamp itself is 50 cm high with a maximum diameter of 25 cm.
