

## Arturo\_Alvarez

## **Mytilus MY04**

## **Technical details**

Country of Manufacture Spain

Manufacturer Arturo\_Alvarez

Designer Arturo Alvarez

Year of design 2019
protection IP20
Scope of delivery LED

voltage suitability 230 - 240 Volt

material glass, stainless Steel, steel

cable color transparent

**height adjustment** height determinable

dimming on site dimmable with a trailing edge

dimmer

Wattage 8 W
LED inclusive
Luminous flux in Im 960

Color temperature in

Kelvin

2,700 extra warm white

**canopy dimensions** 12 cm **total height** 150 cm

**Dimensions** H 17 cm | B 47 cm | L 60 cm

## **Description**

The Arturo Alvarez Mytilus MY04 pendant lamp has a length of 60 cm and a width of 47 cm. It is 17 cm high and is made of lacquered stainless steel metal mesh. The material used is particularly resistant and is handcrafted through elaborate processes. A spherical diffuser distributes the light glare-free in all directions. The total height of the lamp including suspension is 150 cm, if required the transparent cable can be shortened. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source. On request, the pendant lamp is available with 3,000 Kelvin warm white. The Mytilus MY04 can be dimmed on site with a phase dimmer. A DALI dimmable version is also available on request.
