## **Description**

The Vita P 40cm is a pendant lamp with a shade made of high-quality chintz fabric. The shade has a diameter of 40 cm and is available in the colours light grey, white, champagne, slate, sand and wave optic white. Both above and below the lamp shade is closed by a cover, so that the light is always glarefree. Depending on the shade colour, the light also emits into the room through the shade. The total height is a maximum of 140 cm and can be determined by shortening the cable. The Vita P 40cm can be operated with halogen lamps or LED retrofits. This pendant lamp is also available with a shade diameter of 50 cm or 60 cm.
