Description

With the compact design of the Mawa Wittenberg 4.0 ceiling lamp asymmetric LED, neither screws nor cables are visible. This lamp has a powerful LED with a colour temperature of 2,700 Kelvin extra warm white. The following versions are offered for this ceiling lamp:

- Version 1: Ceiling housing white, lamp head white
- Version 2: Ceiling housing black, lamp head black
- Version 3: Ceiling housing black, lamp head chrome
- Version 4: Ceiling housing black, lamp head copper
- Version 5: Ceiling housing black, lamp head brass • Version 6: Ceiling housing chrome, lamp head chrome
- On request, the ceiling light is also available with 3,000 Kelvin warm white or

4,000 Kelvin white. The spotlight has a beam angle of 38 degrees. The beam angle determines the angle at which the light emerges from an LED spotlight. With a larger beam angle, the light is distributed over a larger area. Optionally, the lamp can also be ordered with a beam angle of 12 or 24 degrees in the Order comments field.
