Description

The Cini & Nils Convivio pendant lamp LED has a transparent glass lens, which bundles the light and emits it directly downwards. The lamp is available in chrome and matt black. An LED with a colour temperature of 2,800 Kelvin warm white is integrated as the light source. The light can be dimmed on site with a trailing edge phase dimmer. On request, it is also offered with a Casambi module. With the optional available Casambi module, the light can be dimmed with the Casambi App via Bluetooth using a smartphone / tablet. The maximum cable length of 385 cm can be individually set during assembly.
