

Holtkötter

Plano W

Oberfläche

- aluminum
- brass
- platinum
- black
- white

Version

- with switch / push button dimmer
- without switch

Technical details

Country of Manufacture	 Germany
Manufacturer	Holtkötter
Designer	Holtkötter
protection	IP20
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Projection in cm	max. 16
material	metal
Wattage	14 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	2,000
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	12 cm
bulb exchange	on site itself
light distribution	directly
Wall mount dimensions	13 cm

Description

The Holtkötter Plano W is a wall lamp with a swivel and tiltable lamp head. Depending on the adjusted inclination, the light is emitted from the lamp head downwards or onto the wall or wall bracket. From there the light is partially reflected into the room. The Plano W is available in two versions: with switch/push button dimmer or without switch. In the version with switch/pushbutton dimmer, this is integrated on the wall bracket. The LED has a colour temperature of 2,700 Kelvin extra warm white and can be replaced if necessary. The Plano W wall light is available in white, black, matt aluminum, platinum and anodised brass.
