Description

The Foscarini Gregg Soffitto Parete Piccola can be used both as a wall and ceiling lamp. It is the smallest lamp in this series. The depth / height is 12 cm, the width 11 cm and the length 13 cm. The ceiling and wall lamp emits a homogeneous, glare-free light in all directions. It has a mouth-blown, acid-etched glass in satin white. The wall or ceiling bracket is made of painted metal and is available in white, graphite and gold versions. The Gregg Soffitto Parete Piccola has a G9 socket that can be used with halogen lamps or replaceable LEDs.
