The lamps can be switched separately at the top and bottom using the pull switch. The five E27 sockets can be operated with different LED retrofits. **The bulbs are exclusive.**

The JADE from Knapstein is available in matt brass and bronze surfaces. The brass version is supplied with a lamp shade in raw white. The bronze version has a shade in cream. All shades are made of chintz fabric. The lamp shade of the JADE is 25 cm high and has at the bottom a diameter of 52 cm. On request, the pendant lamp is also offered with other shade materials or sizes.
