Description

The Knapstein JOLA is a flexibly adjustable table lamp. The lamp can be tilted at will by means of a joint at the base of the lamp. Two integrated LEDs in the lamp head emit their light directly where it is needed. The LEDs have a colour temperature of 2,700 Kelvin extra warm white. The lamp head has a width of 30 cm. The JOLA is 34 cm high and is available in brass matt and matt nickel-plated surfaces. An on / off toggle switch is integrated on the base of the lamp.
