Description

The Catellani & Smith Ciclotalia Flex C6 is a ceiling lamp with six brass arms that can be flexibly aligned. Depending on the adjustment of the lamp arms, the ceiling lamp is between 80 cm and 120 cm high. Each lamp head can be rotated by 350 degrees. A glass lens in the lamp head concentrates the light emitted. The lamp is available with lamp heads in white and black matt finish. The canopy has the same colour to the lamp heads. The Ciclotalia Flex C6 is dimmable on site.
