## Kipling Mimix Book Shelf KI-M

### Technical details

Country of Manufacture	 Germany
Manufacturer	less'n'more
Designer	less'n'more
protection	IP53
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Depth in cm	15
material	aluminum, wood
beam angle	100 degrees
cable color	transparent
dimming	cord dimmer
Wattage	4.3 W
LED	inclusive
Colour Rendering Index	85
Luminous flux in lm	390
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	6 cm
bulb exchange	on site itself
Dimensions	H 14 cm   B 58 cm

### Description

The Less'n'more Kipling Mimix Book Shelf KI-M is a book shelf with one recessed spotlight made of aluminum. The shelf is made of wood with a matt white coating. The Mimix lamp head of the recessed spotlight has a 100 degree beam angle. This emits the light directly downwards and simultaneously creates a cone of light on the wall behind the shelf. The Kipling Mimix book shelf KI-M can be connected with a transparent supply line with dimmer (230 volts) or optionally directly to a power connection on the wall. Less'n'more also offers the Kipling book shelf with an Athene or a Zeus recessed lamp.
