Technical details

Country of Manufacture	 Germany
Manufacturer	less'n'more
Designer	less'n'more
Protection class / IP rating	IP43
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	aluminum, glass
beam angle	15 - 75 degrees
Wattage	4.2 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	450
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	10 cm
light head dimensions	3 cm
bulb exchange	on site itself
Dimensions	L max. 54 cm

Description

The Less'n'more Zeus Wall / Ceiling Light Z-MDL2 is a recessed lamp for wall or ceiling. It has an aluminum mounting plate with a diameter of 10 cm as a canopy. This recessed lamp can be mounted on a cavity wall box or flush-mounted box, **with its external transformer built into the wall or ceiling.**

The flexible lamp arm of the Zeus Wall / Ceiling Light Z-MDL2 can be stretched and bent as desired. With a maximum extension of the arm, the lamp has a length of 54 cm. The flexible lamp arm is available in the following colours: aluminum, textile black, white, anthracite, blue, green, red and brown.

Lamp head and mounting plate are offered in the surfaces aluminum and black. The beam angle of the light can be adjusted continuously between 15 and 75 degrees. All that is needed is to turn the glass lens into or out of the lamp head. The beam angle determines the angle at which the light emerges from an LED spotlight. The larger the beam angle, the larger the illuminated area, but it is also less bright because more area is illuminated.

An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as illuminant. This Zeus wall and ceiling lamp is offered dimmable on site with a trailing edge phase dimmer or with a built-in push button dimmer on the mounting plate / canopy. The version with push button dimmer can be switched and dimmed via the push button. On request, its flexible lamp arm is also available in other colours. In addition to this lamp, Less'n'more also offers a smaller recessed lamp with a maximum length of 23 cm, the Zeus Wall / Ceiling Light Z-MDL1.
