## Description

The Grupa III III La Lava is a pendant lamp that consists of three different elements. It has a diameter of 18.5 cm at its widest point. Its lamp shade is 26.3 cm high. It is made of aluminum and is offered in six surfaces: black, white, grey, yellow, green and blue. All surfaces are matt powder-coated. The canopy and the cable are each supplied in the matching finish to the lamp. The III III La Lava is also available in other finishes on request. In addition, new lamps can be combined from the modular system of III III elements in any colour combination.

The pendant lamp by Grupa has a cable with a maximum length of 250 cm, which can be shortened if necessary. On request, the lamp is also available with other cable lengths. The Ili Ili La Lava has an E27 socket that can be operated with halogen lamps or LED retrofit bulbs.
