Description

The Mawa Eintopf KPM Edition was created in collaboration with the Königliche Porzellan-Manufaktur Berlin (KPM, Royal Porcelain Manufactory Berlin), which has been producing porcelain collectibles and lamps for over 250 years. The Eintopf KPM Edition is a new edition of the Mawa ceiling and wall lamp. It consists of a white cylinder made of high-quality porcelain. The porcelain is made with precision craftsmanship, requiring fifteen filigree handwork steps and ten working days to complete. The E27 socket of the lamp can be fitted with various globe halogen lamps or LED retrofit bulbs. Depending on whether frosted or transparent bulbs are used, different light effect and distribution are created. The ceiling and wall lamp is 6 cm high and has a diameter of 8 cm. **The bulb is exclusive.**
